Enter the land of Elden, a mysterious fantasy world, and experience the story of the war between man and beast. In the Lands Between, a perilous world located between the Lands of Light and Darkness, the world has been divided into two nations, the forces of Darkness and the forces of Light. A great war has been raging for a long time. In order to resolve this, the King of Darkness and the High Priestess of Light established a ceasefire to make peace between the two nations. As a descendant of the King of Light, you have been appointed by the King to be an advisor to the High Priestess. Your mission is to guide the High Priestess and the Lords of Light as they fight against the forces of Darkness. As you progress through the storyline of the game, you will get to know the fate of the lands of Elden. With the strength of the Elden Ring, you will then be able to enter the great war in the Lands Between and fulfill your destiny. Features Key:

Adventure and a Sense of Belonging Incredible regions can only be reached after traversing a variety of harsh environments. Dungeons and beasts brimming with monsters are found not just in the world, but also hidden in the darkness that surrounds that world. Wield the brand-new Battle System that lets you decide the fate of the game by yourself.

A new type of RPG system that empowers you to grow. Update with experience points that increase your strength and skills up to Level 50, along with a variety of much-requested enhancements.

A Battle System that features brand-new mechanics with which you can set traps and traps, utilize your character's strengths and raise the toughness of enemy attacks. Battle is all about putting your ideas and tactics to the test.

24 types of Magic attack Use different attacks in the same series to gain a high level of versatility.

A large collection of great outfits There are many master costumes, such as ancient Japanese garb, a knight's doublet, and so on, and you can equip up to six of these at a time. Master the custom look of your heart's desire by mixing and matching hair, sword, shield, and the rest.

RPGs are about growing, not becoming stronger. What awaits you in Elden Ring is an endless world where you can grow into a stronger warrior, something you could never have achieved in previous games in which you'd be fixed in a single body.

Ready to stab forward Intricate tunnelling allows you to expand your dungeons quickly and naturally. You can also go as deep as you wish and equip weapons with high attack and close-range functions in order to challenge the greatest foes.
