It was a great pleasure talking to you this afternoon and thank you for your interest in Enron. I'm looking forward to meeting you in person next summer. ? In case you didn't receive my e-mail, here is a link:?? bio.htm ? Sincerely, ? ? ? ? Ron Hubbard ? ? ? ? ?Measurement of visible light transmittance using spectrofluorometry. A spectrofluorometric procedure is described which uses two wavelengths of excitation light to determine the photon transmittance of a given sample. All liquids used for this purpose are pumped through a cuvette containing the sample and subsequently through a light-emitting diode to excite the sample. The cuvette is then removed from the irradiation path and the emission light is recorded by a photomultiplier, which also serves as a
