0.71 0.04 0.70 0.02 0.78 1.08 A year ago I would have said the Broncos who I just wrote about would have to be huge favorites to win Super Bowl 50. That's not the case today. The Pats are as good as anyone when it counts. New England just played a nearly flawless game. Brissett's performance was unforgettable, and Brady has been performing well in postseason play from his Los Angeles days. A rematch is in my mind the Super Bowl that will actually define the Pats and Broncos level of play. I'm sticking with Brady in my Super Bowl pick, and that means I'm going to pick them.
