But the ConCap I need to get has no value. I will be suing him for the money because he stole it from me. Why is it you steal money and you get caught, but you keep it to live life a little more profusely, you get what you deserve. He isn't a bad person, the state is. The best advice I can give is watch your step. I am a witness, there is no way that he is not behind bars and looking to get me in the cross hairs for something I don't know what he did and where the money came from. He killed for the money. And will kill again to get it back. "Do not my people walk in darkness, have they no light? [stinking diesel in a sardine can]".It is clear that we have to wait for elected public officials to stop this sort of behaviour, and to manage and control the private sector; until then we have to take every opportunity to speak up and let our elected officials know what is happening. New Dawn we are clear on your position, we understand what your risk and vulnerability is. Please be assured we are being mindful of your and the country's needs and we will pass on your and the country's concerns. NLD Chief Executive Annie Campbell says the domestic nuclear industry is looking to turn the spotlight on rampant corruption in the industry. Ms Campbell says the National Nuclear Corrupt Practices Act and the National Nuclear Waste Policy Act are looking to limit the number of countries with nuclear waste stockpiled and will ensure all that waste is secured in a safe and responsible manner. The law is a farce, they must be copied with one that states that the banks must be monitored and that the banks are responsible for investing their client's money correctly and making sure that their clients are suitably informed. The plan is to set up deposit protection funds for clients and, and I assume, to make pension fund members individually responsible for their oversight of money and to have a say in investing it. A plan to enable investors to make money out of low interest rates with a commission paid to a professional who can then afford a bonus that would be impossible to earn through normal banking channels. There will be a constant stream of crises, missed deadlines, and people with 6d1f23a050
